

Total Locker Service

ASSA Classic

Ojmar adjustable

ASSA E-lite

Ojmar fixed

If you have any of the locks pictured, then the following action will be required before the new pound coin is released in March. ASSA classic lock will need an internal conversion, Ojmar adjustable lock will require re-setting and with both the ASSA E-lite and Ojmar fixed locks the cylinders can be retained but the lock bodies will need to be changed. For more information on the new £1 and compatibility please contact us.
