# Storage solutions for every requirement

**Total Locker Service is the preferred supplier of Helmsman Service and distributor Helmsman Products.**

## Storage solutions for every requirement

### Plastic lockers

1. Three sizes (450, 600, 900mm high)
2. Base size 320mm x 460mm
3. Suitable for outdoor use as well as wash down and wet areas
4. Tough polyethylene
5. Retro fit sloping top
6. Grey body with blue, red, yellow or green doors
7. Very strong hinge that can withstand 3200N before breaking
8. Label position and air vents on all door sizes
9. Easily stacked and nested with fixing points.

### Ideal Wet Spec

10. Robust, hygienic and highly vandal resistant
11. Hinges have been tested to 7 times FIRA industry standard.
12. No fear of rust and can be cleaned with a high pressure hose

### NO BUDGET? THEN CONSIDER PRODUCT LEASING

**What's the Deal?** Buy new lockers and cubicles or have complete refurbishment at no cost to your centre; plus a preventive maintenance programme with regular service visits and all parts replaced at no cost to the centre, inclusive as part of this package.

**How does it work?** Our agreement is based round the annual number of locker users; the income generated from the use of the lockers is split between your centre and us.

**Contact us for a free survey and discuss how we can tailor this package to suit your requirements**
