Delivery Arrangements (please read carefully)

Our standard delivery times are 8am to 6pm Monday to Friday (excluding bank holidays) and are a curbside drop only, without the facility of a FLT or tail lift.

The type and size of delivery vehicle we will use to deliver your order, will depend on the order quantity and size of the product (deliveries may be parcels, palletised or loose for you to handball off).

Please make the appropriate arrangements to have staff available to unload the vehicle.

It is important for you to inform us of any restrictions and delivery conditions (e.g. booking in, timed deliveries, tail lift, FORS, size of vehicle etc) before you place an order, as additional charges may apply.

If we are not informed of any restrictions, any charges which are incurred will be passed on to you.
