Lockers: please note that tolerances are quite loose on lockers as they are handmade, if any dimensions are critical please let the sales staff know and confirm this on the purchase order.

Optional Extras

Sloping Tops: Prevents items being stacked on top of the lockers

Powder Coated: Standard colours available

Site Survey & Installation: We are able to offer a fully survey and Installation service, please call or email us for a quotation.

Please Note:

All our deliveries are a kerb side drop only, without the facility of a FLT or tail lift. You will need to make arrangements to unload the vehicle.

The delivery vehicle will depend on the order quantity and size of the product. It is imperative that you inform us of any restrictions before you place an order so we can organise a delivery vehicle to suit your requirements (please note this may incur an additional cost. Any deliveries which are FORS registered may also incur an additional cost.

Our delivery times are 8am to 6pm Monday to Friday (excluding bank holidays)
