

FLAMSAFE®

The perfect solution for the storage and transportation of chemicals and flammable liquids, onsite and on the road - **delivered in just 48 hours!**

Our express-delivered FlamSafe® Site Security Boxes help employers and employees comply with the control of the safe storage of chemicals and flammable liquids. Our FlamSafe® is manufactured from a high gauge of steel, features a well-ventilated system and is designed with a fully-welded construction in five sizes.

- Fully-welded construction suitable for the safe transportation and storage of chemicals and flammable liquids.
- Catch lock fitting for the customer to use their own padlock.
- Powder-coated high-visibility Red with Germ Guard Active Technology paint.
- Internal ventilation to prevent build-up of fumes.
- Hard-wearing black plastic handles at both side points.
- Warning labels included as standard.
- Security catch to secure the lid whilst open.
- Reaction to Fire Classification EN 13501-1.
