

HIGH SECURITY KEY FILING SYSTEM FOR 60 KEYS

KEY CABINETS

When it comes to keys, you want to make sure they're safe. From a simple key cabinet to a more advanced issue and monitoring system, Securikey can offer a solution to meet your requirements.

HIGH SECURITY KEY FILING SYSTEM 60/HS

- Designed specifically for high security environments
- Manufactured from 3mm welded steel plate body with a 6mm steel door
- 3-way locking mechanism for added protection
- Standard locking - CEN/VDS approved double bitted lock and 2 keys
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Supplied with bolts and plugs for surface mounting. Alternatively recess into the wall for greater security
