

pure e><treme® plastic

(10yr)
guarantee*

Especially designed for 'extreme' environments, these hard wearing polyethylene lockers will withstand the most demanding conditions where conventional steel lockers would not be suitable.

pure benefits

Injection moulded from hard wearing, impact resistant plastic, these lockers will never rust or corrode. Adhering to our environmentally responsible principles, these lockers are fully recyclable. Designed for exposed outdoor conditions, the lockers are vandal resistant. The modular design permits a wide variety of configurations to fit into most spaces. We have an extensive range of different locking options that will suit most security needs.

(water resistant)
suitable for wet environments

- o highly water resistant
- o outdoor lockers
- o Food grade
- o anti-bacterial material
- o Fully recyclable

(biotech)
anti-bacterial material

Our attention to detail hasn't escaped these robust lockers, this time not just on the surface but incorporated into the material itself is our antibacterial formula.
