

Medical Storage

Our range of Medical Storage Cabinets are designed using our extensive knowledge of the protection and control of cash and valuables. The 'Bronze Level' Medical Cabinet is suitable for storing general First Aid items, whilst the 'Silver & Gold' units are perfect for controlled drugs that are governed by the Home Office Drugs Inspectorate direction of control.

- **Bronze level cabinet features:** 1.5mm pressed steel construction with security cam lock, shelves and lockable inner compartment.
- **Silver level cabinet features:** 4mm body with 8mm anti-bludgeon door fitted with 8-lever safe lock to EN 1300 and includes 2 shelves.
- **Gold level body thickness:** 3mm (Secure Stor) for added security. Features multi-point locking and adjustable shelves (see Secure Stor page 32).

Gold and Silver cabinets conform to the construction required for the misuse of drugs (safe custody) regulation 1973.
