

SPORTS STORAGE TROLLEYS

Our range of sports storage trolleys are manufactured from strong, hygienic, water resistant plastic and are ideal for use around swimming pools, or in areas of high moisture. Designed to hold items such as pool equipment (floats, pool noodles etc) or sports equipment for easy transport and storage. Each trolley comes with rust-proof zinc and nylon castors and features two braked castors at the front. Standard sizes shown, bespoke sizes available on request.
