

work stations

Probe work stations have been specifically developed to meet the needs of our customers requiring a convenient space to work at, while standing, with secure storage.

Function

- Strong robust construction
- All Units feature adjustable shelves
- Two point locking on all Work Stations
- Reinforced doors for extra strength

specialist work stations

Medical Work Station

Under the Health and Safety Regulations 1981, workplaces must have first aid provision. To satisfy a wide range of first aid equipment we have designed an attractive and highly visible Medical Work Station for your working environment.

PPE Work Station

Personal Protection Equipment is mandatory in many working environments (PPE at Work Regulations 1992 Part 5). Controlling and storing your safety equipment will be more effective in this specially designed Probe PPE Work Station.

DOOR/DRAW COMBINATIONS AVAILABLE

Please refer to price list for door and draw combinations.

PROBE COLOURS

All products are powder coated with AC+IVECOAT[®] exclusive to Probe.

- = DOOR COLOUR
- ▲ = BODY COLOUR
