

UK BOWLING CLUB PROJECT PORTFOLIO

Bowling Club Lockers

Purpose-sized locker compartments for bowls bags, shoes, clothing and personal kit, supplied by Total Locker Service to bowling clubs around the UK.

The current Bowling Club Locker is 1800 mm high, 450 mm wide and 450 mm deep with four internal compartments. The product page states that each compartment is sized to accept a large bowls bag, while the supplied customer records show real club orders in several frame and door colour combinations.

compartment
format

Compartment size is the key design point

Total Locker Service describes the 450 mm wide by 450 mm deep compartments as large enough for a substantial bowls bag, with room for shoes, shirts and other bowling kit.

CURRENT PRODUCT SPECIFICATION

Locker height	1800 mm flat-top
Width	450 mm
Depth	450 mm
Compartments	4 internal compartments
Construction	Robust all-steel construction
Top options	Flat-top or sloping-top

Different quantities, finishes and related club storage configurations

The supplied order list includes dedicated four-door Bowling Club Lockers and one related three-door locker installation with seat stands. Personal contact details have been omitted.

DALBEATTIE Dalbeattie Bowling Club 4 Product: 1800 x 450 x 450 mm Bowling Club Locker. Lock: Cam lock. Top: Flat. Finish: Pearl Silver frame, Flame Red doors. Source note: the supplied list contains this same record twice; counted once here.	PORT TALBOT Taibach Bowls Club 4 Product: 1800 x 450 x 450 mm Bowling Club Locker. Lock: Cam lock. Top: Flat. Finish: Pearl Silver frame, Cornflower Blue doors.
ALLOA Alloa Bowling Club 12 Product: 1800 x 450 x 450 mm Bowling Club Locker. Lock: Cam lock. Top: Flat. Finish: Slate Grey frame, Cobalt Blue doors. Scale: largest explicitly quantified four-door order in the supplied records.	LANGHOLM Langholm New Town Bowling Club - Product: 1800 x 450 x 450 mm Bowling Club Locker. Lock: Cam lock. Top: Flat. Finish: Pearl Silver frame, Cornflower Blue doors. Quantity: not stated in the supplied source record.
DUNDEE AREA - SOURCE SPELLING RETAINED Strathmartibe Bowling Club 9 Related club storage project: nine three-door lockers, 450 x 450 mm, cam locks, flat tops, Slate Grey frames and Cobalt Blue doors, together with three triple locker seat stands. This order is shown as a related bowling-club installation rather than being counted as the four-door Bowling Club Locker product.	

Project descriptions are limited to information supported by the supplied order list. The duplicate Dalbeattie entry is treated as one project for counting purposes. "Strathmartibe" is reproduced exactly as supplied in the source document.

Locking in the supplied projects

Every project record that states a lock type specifies a cam lock. The current product page also offers a much broader range for clubs needing different access control.

LOCK OPTIONS ON THE CURRENT PRODUCT

- Cam lock
- Secure hasp
- Safe cam
- Diamond hasp
- 4-digit private
- 4-digit public
- Digital keypad
- Coin return
- RFID
- Flat-top
- Sloping-top
- 10-year guarantee

Why the format suits bowls bags

The design is driven by usable compartment width and depth rather than a narrow personal-effects locker. At 450 mm wide by 450 mm deep, the current product is specifically presented by Total Locker Service as suitable for a large bowls bag with room for associated footwear and clothing.

Clubs can then choose the locking method and colour combination around that core storage requirement.

PLAN A BOWLING CLUB LOCKER PROJECT

Send the locker quantity, bowls bag size, lock type and preferred colours.

Total Locker Service can use those details to quote for dedicated bowling club lockers and related changing-room storage.
